INTRODUCTION

Latko Wealth Management, Ltd. (“Latko”), is an investment adviser registered with the Securities and Exchange Commission. It is important our clients to understand how advisory and brokerage services and fees differ in order to determine which type of account is right for you. There are free and simple tools available to research firms and financial professionals at www.investor.gov/CRS, which also provides educational materials about investment advisers, broker-dealers, and investing.¹

WHAT INVESTMENT SERVICES AND ADVICE CAN YOU PROVIDE ME?

We are a registered investment adviser that offers investment advisory services to clients. Our advisory services include Financial Planning & Consulting and asset management services. If you open an advisory account with our firm, we’ll meet with you to understand your current financial situation, existing resources, goals, and risk tolerance. Based on what we learn, we’ll recommend a portfolio of investments that is monitored at least quarterly, and if necessary, re-balanced to meet your changing needs, stated goals and objectives. We’ll offer you advice on a regular basis and contact you at no less than quarterly to discuss your portfolio.

You can select in our agreement whether we can buy and sell investments in your account without asking you in advance (“discretion”) or buy and sell investments in your account only after receiving your permission (“nondiscretion”). If you select non-discretion, you will make the ultimate decision regarding the purchase or sale of investments in your account. Any and all limitations will be described in the signed advisory agreement. Discretion or non-discretion exists until such time the advisory agreement is terminated by either you or Latko. Our advice is not restricted to a limited type of product or investment. Our firm does not impose requirements for opening and maintaining accounts or otherwise engaging us.

Financial Planning & Consulting is also offered as a standalone service for a flat or hourly fee. We do not monitor your investments for the Financial Planning & Consulting service.

Additional information about our advisory services is in Item 4 of our Firm Brochure and Item 5 of our ADV Part 2A, which are available online at https://files.adviserinfo.sec.gov/IAPD/Content/Common/crd_iapd_Brochure.aspx?BRCHR_VRSN_ID=724799

WHAT FEES WILL I PAY?

You will be charged an ongoing quarterly fee based on the value of the investments in your account. Our maximum annual fee for Comprehensive Wrap Portfolio Management is 2.00%. The more assets you have in your advisory account, the more you will pay us. We therefore have an incentive to increase the assets in your advisory account in order to increase our fees. Our fees vary and are negotiable. The amount you pay will depend, for example, on the services you receive in combination with the amount of assets in your account. Our firm’s fees will be automatically deducted from your advisory account, which will reduce the value of your advisory account.

Our maximum flat fee is \$5,000 (may exceed with approval from the Chief Compliance Officer. Our hourly rate ranges from \$200 to \$400 for our Financial Planning & Consulting service. We charge an upfront retainer of 50% of the service fee when you sign an agreement and charge you when we provide a financial plan or consultation.

You may also pay charges imposed by the broker-dealer holding your accounts for certain investments and maintaining your account. Some investments, such as mutual funds, index funds, exchange traded funds, and variable annuities, charge additional fees that will reduce the value of your investments over time. In addition, you may have to pay fees such as “surrender charges” to sell variable annuities.

In certain cases, we may select separate account managers who will assist us with managing your account. If selected, they will charge you a fee, which will be described to you in their Form ADV and/or agreement.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Additional information about our fees is in Item 5 of our Firm Brochure and Item 4 of our Wrap Brochure, which are available online at https://files.adviserinfo.sec.gov/IAPD/Content/Common/crd_iapd_Brochure.aspx?BRCHR_VRSN_ID=724799

WHAT ARE YOUR LEGAL OBLIGATIONS TO ME WHEN ACTING AS MY INVESTMENT ADVISER? HOW ELSE DOES YOUR FIRM MAKE MONEY AND WHAT CONFLICTS OF INTEREST DO YOU HAVE?

When we act as your investment adviser, we act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice, we provide you. Here are some examples to help you understand what this means:

- **Our firm's financial professionals include licensed insurance agents who sell insurance products for a commission. They have an incentive to recommend insurance products to you in order to increase their compensation.**
- **For our wrap services, we pay the broker-dealer's transaction fees charged to you for most types of assets. As a result, we have an incentive to limit trading in order to reduce the amount of the broker-dealer's transaction fees that we will have to pay on your behalf.**

Additional information about our conflicts of interest is in Item 10 of our Firm Brochure and Item 9 of our ADV Part 2A, which are available online at https://files.adviserinfo.sec.gov/IAPD/Content/Common/crd_iapd_Brochure.aspx?BRCHR_VRSN_ID=724799

HOW DO YOUR FINANCIAL PROFESSIONALS MAKE MONEY?

Our financial professionals are compensated based on the revenue our firm earns from their advisory services or recommendations, the amount of client assets they service, and the time and complexity required to meet a client's needs.

DO YOU OR YOUR FINANCIAL PROFESSIONALS HAVE LEGAL OR DISCIPLINARY HISTORY?

No. You may access the legal and disciplinary information at www.investor.gov/CRS and <https://brokercheck.finra.org>.
